

A long-exposure photograph of a road at night. The road surface is blurred into streaks of light and color, primarily blue and white. On the left side of the road, there is a grassy shoulder. A bright green light source, possibly a neon sign or a light trail, is visible on the grass, creating a vibrant green glow that extends into the foreground. The overall scene is dark, with the light trails providing the primary illumination.

It is **God** that girdeth me with **strength,**
and maketh my way **perfect.**
